Råd om montering och underhåll

1. Av säkerhetsskäl rekommenderar vi starkt att denna produkt monteras av minst två personer.
2. Vissa komponenter har vassa metallkanter. Var försiktig när du hanterar metallkomponenter. Använd handskar, skor och skyddsglasögon under monteringen.
3. Lägg alla komponenter på en mjuk matta eller filt för att undvika repor och skador.
4. Klättra eller stå INTE på taket. Tunga föremål får inte lutas mot växthuset.
växthuset.
5. Håll taket och hänggrännen fria från snö, smuts och löv. Om snö samlas på taket kan det taket kan skada produkten.
6. Till skillnad från stål skadas inte aluminiumet på undersidan av en repa i lacken.
7. När din produkt behöver rengöras, använd ett mildt rengöringsmedel och skölj med kallt rent vatten. Använd inte aceton, slipande rengöringsmedel eller starka rengöringsmedel för att rengöra panelerna.
